## FTC settlement, cost cuts propel Whole Foods up, says analyst

WholeFoods\_ext2

NEW YORK CITY — Wall Street has given a thumbs up to Whole Foods Market, saying the grocer is doing a good job cutting costs to counter the recession's impact on sales. An analyst upgraded Whole Foods' stock on Monday to "market perform" from "underperform." ...

## Retail Down, Walmart Up

**NEW YORK (REUTERS)** - Top U.S. retailers saw anemic same-store sales in February as shoppers kept a tight hold on spending, but Walmart Stores Inc. again beat expectations and said lower gasoline prices had relaxed some household budgets. Apparel retailers and department stores posted some of the
